ZOOM in on March 15, 2025, by 10AM EST to participate!

This year's Power of Bold Day is about National Mission Institutions (with almost 90 related to United Women in Faith). Learn about what they are from Jessica Tullock, National UWFaith. Then hear from Julia Paradine-Rice as she shares a brief overview of the history of the United Methodist Community House (UMCH) in Grand Rapids and the involvement of United Women in Faith, which will lead us to the present programs and future plans of the UMCH, the only National Mission Institute located in Michigan, presented by Carla Moore, Chief Executive Officer.
