Introducing Fowler Center – A Camp For All Ages And Abilities
Saturday, April 25, 2026, at 9:30 a.m.**

Join Lynn Seeloff, Camp Director and Jeffrey Raymaker, Development Officer, as they share the miracle that the Fowler Center is to individuals with disabilities ages 6-99!

Lynn's experience at The Fowler Center started by volunteering for a respite weekend in September 2004. Lynn believes in the power of CAMP and loves giving campers and staff the chance to learn and grow in our community.

Jeff brings a passion for the outdoors and a heart for service to his role at Fowler Center. Jeff believes everyone deserves the opportunity to thrive. He loves seeing campers grow in confidence and build lasting friendships.

**Goodrich United Methodist Church
8071 S. State St., Goodrich, MI 48438**

Please note that we will be asking for an offering for the Goodrich UMC to help with breakfast expenses, and then a Love Offering will be taken up after the presentation for the Fowler Center. We thank you in advance for your cooperation!
